MEMORANDUM FOR: Deputy Director for Administration

FROM : [REDACTED]
Acting Director of Data Processing

SUBJECT : ODP Report for Week Ending 24 June 1977

Review of Draft DCID

ODP comments on a draft DCID, "Uniform Procedures for Administrative Handling and Accountability of Sensitive Compartmented Information (SCI)," were submitted to the Office of Security. A paragraph on marking magnetic media was re-written because it was too complex and impractical. [REDACTED]

TRW Contract for GIM II

The DCI returned the memo ODP prepared to obtain approval to obligate \$40K of funds for the [REDACTED] contract for GIM II maintenance. He raised a question pertaining to the under-estimation of funds required for the contract. A response is being prepared by the Management Staff. [REDACTED]

Support to the DCI

DCITASK - Automation of two tasks for the DCI. TASK II, automation of a scheduling system for the DCI, is complete. All programs were transferred to GIM Production system. TASK I, reporting of contacts, was completed in mid May. [REDACTED]

Support to Office of Geographic & Cartographic Research

CARTDEV - Developmental support to the Cartographic Division. The test results from a subset of the major grid for analyzing the line-of-sight capabilities for a given terrain were delivered to the customer. This work is supporting OGCR's response to a request from the Department of State to evaluate the U.S. Forest Service computer program TOPAS. [REDACTED]

Administrative - Internal Use Only

Approved For Release 2001/09/04 : CIA-RDP83T00573R000600130029-4

SAFE

The DCI is being requested to approve the opening of the SAFE Design Competition Phase bids, which are due in the Agency by close of business 27 June. The evaluation time is critically short this fiscal year and a significant delay would jeopardize the procurement.

STATINTL [REDACTED] DD/OCR, has been selected as the Agency representative to the IC Staff's SAFE/ADISS Working Group. The SAFE Project Office will support him in this activity. [REDACTED]

ADSTAR

Answers to a third set of questions from bidders were prepared and mailed this week. [REDACTED]

RAPID

STATINTL
STATINTL The President of [REDACTED] informed us the Program Specifications Review Milestone (originally scheduled for 22 April 1977 and revised to 24 June 1977) will now probably be met in November 1977. A letter from the contractor outlining the change is being studied by ODP, PD/OL, [REDACTED]

Power Problems

Power problems attributed to locally severe thunderstorms caused interruptions in both Centers over the weekend of 18-19 June. These interruptions were troublesome but no permanent damage or loss was sustained. [REDACTED]
